1st time. Ultimate Guitar didnt put the chords i put in, in the right place so i just put all of them side by side. I think it sounds like the original song. Sorry again about the chords not being in the right place.

Intro: **Dm Bb C**

Dm
Its been a while
Bb
Im back again
C
Im stronger now
Im not afraid
Dm Bb C
To say that I was so wrong wrong yeah yeah
Dm
You shut me out
Bb
Wont let me in
C
We both dont know
Where to begin
Dm
I took a shot
Bb C A
But your shooting me down down down

Dm Bb C
Oooooooooooooooooooooo
Yeah let me hear you say
Dm Bb C
Oooooooooooooooooooooo
Can you hear me crying now?
Dm Bb F
Oooooooooooooooooooooo
C
If only I can get through to you
A
Theres something I wanna say to you
Dm Bb F

Yeah Ooooooooooooooooooooo

C

And I just cant get through to you

A

Its like your heart is bullet proof
Bullet Proof

Dm Bb C

Hey what you say its gonna take now
Whats it gonna take [x2]

Dm

I know this game

Bb

What you tryna do

C

You playing me
Like Im the fool

Dm

But dont you know

Bb C

You are starting this fire
Yeah yeah yeah

Dm

You know it hurts

Bb

We have been burnt before

C

Had the devil come
Knockn at my door

Dm

The day has come

Bb C

For us to win this fire

Dm Bb C

Ooooooooooooooooooooo

Listen to me say

Dm Bb C

Ooooooooooooooooooooo

Can you hear crying now?

Dm Bb F

Ooooooooooooooooooooo

C

If only I could get through to you

A

Theres something I wanna say to you

Dm Bb F

Yeah Ooooooooooooooooooooo

C

And I just cant get through to you

A

Its like your heart is just bullet proof
Bullet proof

Dm Bb C

Hey what you say its gonna take now [x2]
Whats it gonna take

Solo: **Dm Bb C** [x2]

Can you hear me crying now?

Dm Bb F

Ooooooooooooooooooooooooooooo

C

If only I could get through to you

A

Theres something I wanna say to you

Dm Bb F

Ooooooooooooooooooooooooooooo

C

And I just cant get through to you

A

Its like your heart is bullet proof
Bullet proof

Dm Bb C

Hey what you say its gonna take now
What it gonna take [x2]
