Choose You " Stan Walker

**Eb**            **Bb**            **Cm**            **G#**  
I m so mad at you right now, that I can t think straight  
**Eb**            **Bb**            **Cm**            **G#**  
And I should shut my mouth, so I don t let out the cruel things I say  
**Eb**            **Bb**  
Cuz when love starts out it s all peachy, I love you, you love me seems easy  
**Cm**            **G#**  
It s like a walk in the park  
**Eb**            **Bb**  
But sometimes it takes an act of my will and a walk in a park turns to uphill  
**Cm**            **G#**  
But I promise to give you my heart

CHORUS

**Eb**            **Bb**            **Cm**            **G#**  
I will choose to love you, yeahh  
**Eb**  
Even though I wanna stay mad  
**Bb**  
Even though I wanna get angry  
**Cm**  
Though it may be easier to walk away  
**G#**            **Eb**  
I will choose to stay & love you

**Eb**            **B**            **Cm**            **G#**  
Love is just so beautiful, sometimes it takes work  
**Eb**            **Bb**            **Cm**            **G#**  
And the ones you love, at times can leave you so hurt

**Eb**            **Bb**  
Cuz when love starts out it s all peachy, I love you, you love me seems easy  
**Cm**            **G#**  
It s like a walk in the park  
**Eb**  
But the picture of love some try to paint  
**Bb**  
It s a contrast to the real landscape  
**Cm**            **G#**  
But I promise to give you my heart

CHORUS

**Eb Bb Cm G#**  
I will choose to love you, yeahh  
**Eb**  
Even though I wanna stay mad  
**Bb**  
Even though I wanna get angry  
**Cm**  
Though it may be easier to walk away  
**G#**  
I will choose to stay  
**Eb Bb Cm G#**  
I choose you, I choose you, yeahh  
**Eb Bb Cm G#**  
I choose you, I choose you everyday I choose you

**Cm**  
Some people think that love is just a feeling  
**G#**  
So they fall out of love as quickly as they fell in  
**Eb**  
Some people think that love is just a game  
**Bb**  
But they the ones who always seem to end up getting played  
**Cm Bb Eb G#**  
Though everything around might change, one thing will still remain

CHORUS

**Eb Bb Cm G#**  
I will choose to love you, yeahh  
**Eb**  
Even though I wanna stay mad  
**Bb**  
Even though I wanna get angry  
**Cm**  
Though it may be easier to walk away  
**G#**  
I will choose to stay  
**Eb Bb Cm G#**  
I choose you, I choose you, yeahh  
**Eb Bb Cm G#**  
I choose you, I choose you everyday I choose you
