Choose You " Stan Walker

D **A** **Bm** **G**
I m so mad at you right now, that I can t think straight
D **A** **Bm** **G**
And I should shut my mouth, so I don t let out the cruel things I say
D **A**
Cuz when love starts out it s all peachy, I love you, you love me seems easy
Bm **G**
It s like a walk in the park
D **A**
But sometimes it takes an act of my will and a walk in a park turns to uphill
Bm **G**
But I promise to give you my heart

CHORUS

D **A** **Bm** **G**
I will choose to love you, yeahh
D
Even though I wanna stay mad
A
Even though I wanna get angry
Bm
Though it may be easier to walk away
G **D**
I will choose to stay & love you

D **Bb** **Bm** **G**
Love is just so beautiful, sometimes it takes work
D **A** **Bm** **G**
And the ones you love, at times can leave you so hurt

D **A**
Cuz when love starts out it s all peachy, I love you, you love me seems easy
Bm **G**
It s like a walk in the park
D
But the picture of love some try to paint
A
It s a contrast to the real landscape
Bm **G**
But I promise to give you my heart

CHORUS

D A Bm G
I will choose to love you, yeahh
D
Even though I wanna stay mad
A
Even though I wanna get angry
Bm
Though it may be easier to walk away
G
I will choose to stay
D A Bm G
I choose you, I choose you, yeahh
D A Bm G
I choose you, I choose you everyday I choose you

Bm
Some people think that love is just a feeling
G
So they fall out of love as quickly as they fell in
D
Some people think that love is just a game
A
But they the ones who always seem to end up getting played
Bm A D G
Though everything around might change, one thing will still remain

CHORUS

D A Bm G
I will choose to love you, yeahh
D
Even though I wanna stay mad
A
Even though I wanna get angry
Bm
Though it may be easier to walk away
G
I will choose to stay
D A Bm G
I choose you, I choose you, yeahh
D A Bm G
I choose you, I choose you everyday I choose you
