

Homesick

Stan Walker

F Dm Bb C

Ey, ey ey ey ohhhhhh yea yeah yea yea
Watching the clock counting down the hours,
Waiting not even 24 has past but I can t take it
For your love I m a addict can t break the habit
Some many call me pathetic if she anit yours you won t get it
Ready to climb the highest tower just to see if
I can spot her face out in the crowed from the distance
When she not in my grasp my heart starts to panic
Got a case of the classic missing my baby badly

[Chorus:]

Homesick, all because my baby not around
I m homesick, even though we re in the same town
I m homesick, seconds after me kiss
When you walk out the door I start to miss
I can t control this feeling
It s like I m homesick, homesick
It s like I m homesick, homesick, homesick
It s like I m homesick, homesick, homesick
Seconds after we kiss
When you walk out the door I start to miss
I can t control this feeling
It s like I m homesick

Feels like forever when it s only been some minutes
Cause when we re together I just lose myself in it
Is it wrong to be childish when my baby allows it
Some may call me pathetic if she anit yours, you won t get it
Don t for a second I m being insecure
But when it s so real, it s a love you must adore
No I won t beat around it, it s like I jumped now I m drowning

In her presence, she s my life saving medicine

[Chorus:]

Homesick, all because my baby not around
I m homesick, even though we re in the same town
I m homesick, seconds after me kiss
When you walk out the door I start to miss
I can t control this feeling
It s like I m homesick, homesick
It s like I m homesick, homesick, homesick
It s like I m homesick, homesick, homesick

Seconds after we kiss
When you walk out the door I start to miss
I can't control this feeling
It's like I'm homesick

You been fishing now I'm hooked had the perfect bite
Took a bite it was so good wanted a second taste
You're my favourite thing to do everyday I need a dose of you
I know you just left but I'm homesick

[Chorus:]

Homesick, all because my baby not around
I'm homesick, even though we're in the same town
I'm homesick, seconds after we kiss
When you walk out the door I start to miss
I can't control this feeling
It's like I'm homesick, homesick
It's like I'm homesick, homesick, homesick
It's like I'm homesick, homesick, homesick
Seconds after we kiss
When you walk out the door I start to miss
I can't control this feeling
It's like I'm homesick
