Stand Atlantic - Skinny Dipping

Standard Tuning

Capo 1st Fret

[Verse 1]

Thought I could take this to my grave, but instead I let it bury me  
Yeah it was my mistake, I needed honest conversation  
The kind I only make in my sleep  
Fill my pocket mark with poison personality  
Another stupid scar won't get me what I need

[Pre-Chorus]

I know nothing about me  
I know nothing about me

[Chorus]

It's like skinny dipping in my jeans  
You get wet but you don't get clean  
Quit pulling my ankles, I'm already too deep  
It's like skinny dipping in my jeans

[Verse 2]

I'm standing by myself, next to everybody else  
What I make them buy they sell for free  
Covering my tongue in poison similarity  
Take my own advice and some responsibility

[Pre-Chorus]

I know nothing about me

I know nothing about me

[Chorus]

**G** **D**  
Itâ€™s like skinny dipping in my jeans  
**Am** **C**  
You get wet but you donâ€™t get clean  
**G** **D**  
Quit pulling my ankles, Iâ€™m already too deep  
**C**  
Itâ€™s like skinny dipping in my jeans

[Bridge]

**G** **Am** **C**  
A string of indecision, the gift that just keeps giving  
**G** **Em** **C**  
Just sick of swimming like Iâ€™m sinking slowly  
**Am** **G** **C**  
Leaks in the stitches Iâ€™ve sewn, but Iâ€™m letting nobody know  
**Am** **G** **C**  
Just keep dragging my bones

[Chorus]

**G** **D**  
Itâ€™s like skinny dipping in my jeans  
**Am** **C**  
You get wet but you donâ€™t get clean  
**G** **D**  
Itâ€™s like skinny dipping in my jeans  
**Am** **C**  
You get wet but you donâ€™t get clean  
**G** **D**  
Quit pulling my ankles, Iâ€™m already too deep  
**C**  
Itâ€™s like skinny dipping in my jeans

**G** **D**  
Itâ€™s like skinny dipping in my jeans  
**Am** **C**  
You get wet but you donâ€™t get clean  
**G** **D**  
Quit pulling my ankles, Iâ€™m already too deep  
**C**  
Itâ€™s like skinny dipping in my jeans
