

For All Lovers
Stanfour

These chords aren't THE chords which are played in the song. It just sounds nice. I use capo on the 2nd fret, but you don't need to use one.

(The lyrics in the refrain aren't right at some passages, cause I wrote the chords the lyrics one time and then copied it)

G **Em**
This one goes out to the lonely
G **D**
This one goes out to the broken ones
G **Em**
This one goes out to the angels
F **C**
Fallin from the sky
G **Em**
This one goes out to your brother
G **D**
This one goes out to your mother
G **Em**
This one goes out to your sister
C **F**
And this one's for you

G **Em**
And all the lovers and believers
C **D**
And the ones who've been betrayed
G **Em**
To all the fighters, all the dreamers
C **F**
And the ones who've not been saved

F#m **G** **Em** **F#m** **G**
Don't lose your faith; I know you're right
Em **C**
Don't be scared of being lonely
D **Dsus4**
I'm here with you

(Chords like in the 1st strophe)
This one goes out to the lonely
This one goes out to the broken hearts
This one goes out to the people

Left behind, waiting to be found
I ve seen your shadow in the dark
I ve seen this straggle in your life
Feels like nothing comes out right

G **Em**
And all the lovers and believers
C **D**
And the ones who ve been betrayed
G **Em**
To all the fighters, all the dreamers
C **F**
And the ones who ve not been saved
G **Em**
And all the lovers and believers
C **D**
And the ones who ve been betrayed
