#Capo on 4th fret

A - x02220

Asus4 - x02230 (im not sure that this is an Asus4!)

Asus2 - x02200

1x A-Asus4-A-Asus2

A Asus4 A Asus2

Just right before the end of time,

A Asus4 A Asus2

We stood together, you and I.

A Asus4 A Asus2

There was no place to go, no time to add.

A Asus4 A

So we brace ourselves for the impact.

D A

Oh, when the waves crushing,

D E

so cruel to your skin

D

and you re lost,

A E

shaking off the weight.

D A

When the sea breaks through,

D A

try to swallow you.

D E

You wake up, learn to breathe again.

A Asus4 A Asus2

We cried for every fading light (wooh, wooh)

A Asus4 A Asus2

All the good days flashed before our eyes (wooh, wooh)

A Asus4 A Asus2

It s so hard to leave something behind (wooh, wooh)

A Asus4

When your heart still wants to hold so tight.

D Oh, when the waves crushing, D E so cruel to your skin and you re lost, shaking off the weight. When it all breaks you, D A and you hallow through. You wake up, learn to beathe again. Uhhhhh, Uhhhhh. D Oh, when the waves crushing, D E so cruel to your skin D and you re lost, E shaking off the weight. D When it all breaks you, D A and you hallow through. D E You wake up, learn to beathe again. D Oh when it all breaks you, D Oh when it all breaks you. D A And you re lost, shaking off the weight. When it all breaks you, D A and you hallow through. You wake up, learn to breathe again.
