Stardeath and White Dwarfs**

Smoking Pot Makes Me Not Want to Kill Myself by Stardeath and The White Dwarfs

Nice little song.

Comment please.

This is my second tab. :)

INTRO:

G, F#m, F, Am

G **F#m**

If you re askin me, we re just fine

F

Maybe you can roll a joint

Am

and I ll pour a glass of wine

G **F#m**

Let s have fun while it lasts

F

Cause god only knows

Am

how fast things can pass

G **F#m**

And it s not in your mind

F

Am

And we re not wasting each other s time

G **F#m**

Let s just talk about ourselves

F

And how we don t give a damn about

Am

anything else

F **G**

Now we re all on our own

F **G**

Nobody callin on the phone

F **G**

Askin us if we re ok

F

Am

Tellin us we re just havin a bad day

G **F#m**

I think it was a year or so

F

Am

When she said that she had to go

G **F#m**

And for you it was the same

F

But it s not their fault

Am

We just have them to blame

F **G**

Now we re all on our own

F **G**

Nobody callin on the phone

F **G**

Askin us if we re ok

F **G**

Tellin us we re just havin a bad day

G **F#m**

And it s not in your mind

F **Am**

And we re not wasting each other s time

(Repeat until the End and your okay)

Thank You.

I hope you found this helpful and if there are ANY corrections you wanna make or just

me down and call me deaf then thats cool.

Peace.
