

Cry In My Heart
Starfield

Cry In My Heart

B
Theres a cry in my heart
F#
For your glory to fall
E F#
For your presence to fill up my senses

B
Theres a yearning again
F#
A thirst for discipline
E F#
A hunger for things that are deeper

Ebm E
Could you take me beyond
B F#
Could you carry me through
Ebm E
If I open my heart
B F#
Could I go there with you

Ebm E
For Ive been here before
B F#
But I know thereâ€™s still more
E F#
Oh Lord. I need to know you

B
For what do I have
F#
If I donâ€™t have you Jesus
E
What in this life
B
Could mean any more

You are my rock
F#
You are my glory
E F# / F# / B / B /
You are the lifter of my head
