Eb

I wake up in the morning

Ab

My love for you

Eb

F

Just grows the way you do

Bb

When I love you

I wanna hold you all night long
And cuddle till we re blue
I ll hold you in a tight embrace
I know it seems taboo

But I have to have you with me now
I have to have you quick
I love you more than anything
My dick!

Dick: (Joey:)
I like being with you
(I like being with you)
And you like being with me
(You like being with me)

Both:
We re just the best of friends
As anyone can see

People say, it s quite unlikely
The two of us should stick
But I just tell them... hey!
It s me and my dick!

Joey: (Dick:)
We ll stick together
(We ll stick together)
Fight through thick and thin

(Fight through thick and thin)

Both:

If we stay side by side
There s no way we can t win

Joey: (Dick:)

Any girl that s out there
(Any girl that s out there)
Any girl at all
(Any girl at all)

Both:

When she gets going with us
She s sure to have a ball!

Dick:

(Spoken) Hey! Watch out with that joke. It s an antique!

Both:

People say, how do you do it?
How can you be so slick?
But I just tell them... hey!
It s me and my dick!

Joey: (Dick:)

Yeah, there she is
(Oh, I see her)
Leaning on her locker with those big brown eyes
And she s taking off her shirt and her pants
(Yeah, keep going!)
And we re doing a sexy-time dance!

She s running her hands
Down my underpants

Both:

Buddy this is our chance!

Sally:

(Spoken) Joey!

Both:

People say, it s quite unlikely
The two of us should stick
But I just tell them... hey!

Joey: (Dick:)

It s me and my dick
(I like being with you)
It s me and my dick
(We ll stick together)
It s me and my dick

Dick:

(Spoken) Hey, man...

Both:

It s me and my dick!
