Status Quo
Starkid
```

Em It starts with not questioning the answers And giving up before you ve begun C It locks all the doors, increases the pressure, And in a flash Em Your time is up before it s done C And you won t know G How it can feel Am To feel at all So I say B Am G B Em D No... to status quo... Em Who wants to be like the rest And deny the best that I m meant for? B Em D I will show... B Am G The status quo... F:m Who cares about normal? ח I ll never conform C D Em D I will be content to resent the status quo... G I kick down the walls around me Em They don t know how strong I am I m not defined by boundaries В They could never understand A Dm C I m so much more... A Gm F ... Than status quo

Dm
Forget about being
Another pipe dreamer
Stuck on the bottom floor
    B Em D
And I know
    B Am G
It s time to go
           Em
So maybe I ve gotten everything
That I wanted but I think that
I might have made it so
   C B Em
When I said no, no, no
  GBC
To status quo...
      D
           E
I am a Starship Ranger
A D E
I m gonna do everything I can
To always be a Starship Ranger
            D Dm
It s everything, it s everything,
I am!
