Pulling Out My Hair
Starlight Mints

        Tab by Jo
The end is not 100% accurate but better than nothing.

The guitar at the beginning is just
```
e|--------7--8----7--------------------|
B|------------------8------------------|
G|---------------------9---------------|
D|-------------------------------------|
A|-------------------------------------|
E|-------------------------------------|
```
with a tremolo/vibrato effect.

C   E   C   E
You take the time to cut my head off,
C   E   C   E
You take the time to pull off your heart,
C   G
You take the time to give me a clueless stare,
                                           C
We re going nowhere, pulling out my hair
C   E   C   E
You take the time to smother my brains ashore,
C   E   C
You take the time to leave me the core
G
But you re gonna listen
        G Bb A G#
I m gonna goooooooooooo
           Bb A G#
I m gonna goooooooooooo
           Bb A G#
I m gonna goooooooooooo
           Bb A G#
I m gonna goooooooooooo
