A Song Is A Weapon Stars The entire song follows this chord pattern : Gm (x-10-12-12-11-10) , F (x-8-10-10-10-8), C (8-10-10-9-8-8) Intro : Gm, F, C x1 Verse 1 Gm C F Waiting at arrivals by the baggage carousel C Gm F Time can be a tyrant but it always served you well Gm F A game is just a game and a prize is just a prize Gm F C How do you keep a straight face when you re telling all those lies Chorus C C Gm \mathbf{F} You are the one, you are the bullet in the chamber of the gun Gm F C You are the long forgotten predator s son C Gm F And you will be here ages after I m gone Gm \mathbf{F} С I can only hope to kill you with a song **Pattern is the same for the rest of the song The television tells me you re a father to a son You held us in your arms and pressed our backs against the wall What is that you re looking at, tell me what you see A spectre in the corner looks awful alot like me

You are the one, you are the bullet in the chamber of the gun

You are the long forgotten predator s son And you will be here ages after I m gone I can only hope to kill you with a song, with a song, with a song I can only hope to kill you with a song, with a song I ve got one shot to kill you with a song

You are the one, you are the bullet in the chamber of the gun You are the long forgotten predator s son And you will be here ages after I m gone I can only hope to kill you with a song I can only hope to kill you with a song I ve got one shot to kill you with a song I can only hope to kill you with a song I ve got one shot to kill you with a song I ve got one shot to kill you with a song
