F **G** **C** (**C**)
calendar girl who s in love with the world, stay alive

I dreamed I was dying as I so often do,
and when I awoke, I was sure it was true.
I went to the window, threw my head to the sky
and said; whoever is up there, please don t let me die.

Well I can t live forever, I can t always be
One day I ll be sad (?) on a beach by the sea
The pages keep turning, I mark each day with a cross
And I ll laugh about all that we ve lost.
