Dead Hearts
Stars

Dead Hearts â€" Stars
Capo 3, Key of C

[Intro]
F# G# C# C#

[Verse 1]
```
        F#
```
Tell me everything that happened
```
        G#
```
Tell me everything you saw
```
          C#
```
They had lights inside their eyes
```
          C#
```
They had lights inside their eyes

[Verse 2]
```
                F#
```
Did you see the closing window?
```
        G#
```
Did you hear the slamming door?
```
          C#
```
They moved forward, my heart died
```
            C#
```
They moved forward, my heart died

[Verse 3]
```
              F#
```
Please please tell me what they looked like
```
          G#
```
Did they seem afraid of you?
```
            C#
```
They were kids that I once knew
```
            C                        {hold)
```
They were kids that I once knew

[Chorus]
```
F#                              Bbm
```
I could say it but you won t believe me
```
F#                              G#
```
You say you do but you don t deceive me
```
C#
```
It s hard to know they re out there
```
C#                  Fm                      F#
```
It s hard to know that you still care

```
                          Bbm
```

```
I could say it but you won t believe me
F#                          G#
You say you do but you don t deceive me
C#
Dead hearts are everywhere
C#
Dead hearts are everywhere

[Bridge]
F# G# C# C#
F# G# C# C#

[Verse 4]
        F#
Did you touch them? Did you hold them?
         G#
Did they follow you to town?
            C#
They make me feel I m falling down
              C#
They make me feel I m falling down

[Verse 5]
          F#
Was there one you saw too clearly?
        G#
Did they seem too real to you?
          C#
They were kids that I once knew
         C                           (hold)
They were kids that I once knew

[Chorus]
F#                          Bbm
I could say it but you won t believe me
F#                          G#
You say you do but you don t deceive me
C#
It s hard to know they re out there
C#              Fm                      F#
It s hard to know that you still care

                          Bbm
I could say it but you won t believe me
F#                          G#
You say you do but you don t deceive me
C#
Dead hearts are everywhere
C#
Dead hearts are everywhere

[Chorus]
F#                          Bbm
```

I could say it but you won t believe me
F#   **G#**
You say you do but you don t deceive me
C#
It s hard to know they re out there
C#   **Fm**   **F#**
It s hard to know that you still care

                          Bbm
I could say it but you won t believe me
F#   **G#**
You say you do but you don t deceive me
C#
Dead hearts are everywhere
C#
Dead hearts are everywhere

[Bridge]
F# Bbm F# G#
C# C#

[Outro]
          F#
They were kids that I once knew
          G#
They were kids that I once knew
              C#
Now they re all dead hearts to you
              C#
Now they re all dead hearts to you

          F#
They were kids that I once knew
          G#
They were kids that I once knew
              C#
Now they re all dead hearts to you
