

**Look Up  
Stars**

[Intro]

```
e|-----15--12----- 15-----15---13--13-----|
B|-13--15-----13--15-----13-----|
G|-----12--14--14-----|
D|-----|
A|-----|
E|-----|
```

[Verse 1]

```
C G F  
Your friends hold the lullabies  
C G F  
They watch the way the night lies  
C G F  
Soft sounds, heads like a radio  
C G F  
Hearts wrapped in blankets, laying low  
C G F  
Hearts wrapped in blankets, laying low
```

[Chorus]

```
F C G  
You re cold, maybe you just missed the sun  
F C G  
You fall, feeling like its just begun  
F C G  
So far, keeping it together s been enough  
F C G  
Look up, rain is falling, looks like love
```

[Verse 2]

```
C G F  
Your boy is like a memory  
C G F  
Some sense of touch and a melody  
C G F  
Your girl, she s a renegade  
C G F  
A hurricane that keeps you there, safe  
C G F  
A hurricane that keeps you there, safe
```

[Chorus]

```
F C G
```

You re cold, maybe you just missed the sun

**F C G**

You fall, feeling like its just begun

**F C G**

So far, keeping it together s been enough

**F C G**

Look up, rain is falling, looks like love

[Bridge]

N.C

(And still in toil, it takes heart to love the rose

N.C

And still in toil, it takes heart to love the rose)

[Chorus]

**F C G**

You re cold, maybe you just missed the sun

**F C G**

You fall, feeling like its just begun

**F C G**

So far, keeping it together s been enough

**F C G**

Look up, rain is falling, looks like love

[Chorus]

**F C G**

You re cold, maybe you just missed the sun

**F C G**

You fall, feeling like its just begun

**F C G**

So far, keeping it together s been enough

**F C G**

Look up, rain is falling, looks like love

[Outro]

**F C G** (x4)

Rain is falling looks like love

(repeated in the background during the outro until the end)

e	-----12--13-----
B	-----13-----15-----13-----15--12--13-----
