I would say its important to get the rythm on this song right, on the Em chord listen to the track and you ll hear that he is adding and removing his finger on the D string on the Em chord. Sounds a bit like Travis- Side at this point.

Em :022000
Am :X02210
Asus2:X02200
D :XXX023X
D# :XXX34X
Em1 :X79987
B :799877
Am1 :577555
Esus2:X79977

Em

If you don t mind,

Could we not fight?

I see you re close woman,
In the night,

Am Asus2 Am

I m sober,

D D# Em

Still alive,

Waste your days,

On your own,

Getting drunk,

getting stoned,

Am Asus2 Am

I m sober,

D D#Em

Still alone,

Em1

Must I always take a back seat?

Am1 Em

Must I always be your clown?

Eml B

Did you ever really love me?

Aml Em

Were you always coming down?

See your face, See your eyes, Shouldn t have left, Shouldn t have lied, I m sober, Spirit s died,

Must I always take a back seat? Must I always be your clown? Did you ever really love me? Were you always coming down?

Eml B

Must I always take a back seat?

Aml Em

Must I always be your clown?

Eml B

Did you ever really love me?

Aml >>>Into solo

Were you always coming down?

> = Hammer On.

Then B and Em changing to and from Esus2 quickly

Hope you get what I mean.
