

Hurts Too Much
Starsailor

capo 2nd fret

we all get burnt sometimes.....lately i,ve had mine
starts off in your mind.....runs right down your spine
we all get hurt by love.....when youve had enough
cracks all start too show.....sooner than you know
and it hurts too much.....i,m letting you go
i,ll walk these wet streets.....somewhere alone
Em,C,Esus4,C
we all get taken in.....by dreams we,ll never be in
problems that we face.....soon we,ll be replaced
and it hurts too much.....i,m letting you go
i,ll walk these wet streets.....somewhere alone
Em,C,Esus4,C
and it hurts too much.....i,m letting you go
i,ll walk these wet streets.....somewhere alone
and your looking for something.....you already know
i,m down on my knees.....to see a ray of hope
i,m down on my knees.....i see a ray of hope
