**Eb**
Everybody says that they re looking for a shelter
**G#**
Got a lot to give
But I don t know how to help her

**Bb**
I should just let it go
 Til they learn how to grow
**Cm**
And how to liberate

**Eb**
Everybody says that she s looking for a shelter
**G#**
Got a lot to give
But I don t know how I felt her
**Bb**
They should just let it go
Till these cities learn to grow
**Cm**
And how to liberate

          **Eb**
Silence is easy
          **G#**
It just becomes me
              **Eb**
You don t even know me
          **G#**
You all lie about me

**Eb**
Everybody says that I m looking for a home now
**G#**
Looking for a boy or I m looking for a girl now
**Bb**
But I can still let it go
I can still learn to grow
**Cm**
Into a child again

**Eb**
Silence is easy
                **G#**
It just becomes me
                    **Eb**
You don t even know me
                **G#**
But why lie about me?

Silence is easy
It just becomes me
You don t even know me
Why do you hate me?

Silence is easy
It just becomes me
You don t even know me
You all lie about me

Silence is easy
It just becomes me
You don t even know me
You all lie about me
