**F#**
Everybody says that they re looking for a shelter
**B**
Got a lot to give
But I don t know how to help her

**C#**
I should just let it go
 Til they learn how to grow
**Ebm**
And how to liberate

**F#**
Everybody says that she s looking for a shelter
**B**
Got a lot to give
But I don t know how I felt her
**C#**
They should just let it go
Till these cities learn to grow
**Ebm**
And how to liberate

        **F#**
Silence is easy
      **B**
It just becomes me
         **F#**
You don t even know me
      **B**
You all lie about me

**F#**
Everybody says that I m looking for a home now
**B**
Looking for a boy or I m looking for a girl now
**C#**
But I can still let it go
I can still learn to grow
**Ebm**
Into a child again

```
            F#
Silence is easy
          B
It just becomes me
                  F#
You don t even know me
                B
But why lie about me?

Silence is easy
It just becomes me
You don t even know me
Why do you hate me?

Silence is easy
It just becomes me
You don t even know me
You all lie about me

Silence is easy
It just becomes me
You don t even know me
You all lie about me
```
