

Talk Her Down
Starsailor

You came [Bm]waltzing in
Where the love had been
And the [Em]boys all looked around
[A]Let me stay while you [F#]talk your baby [Bm]down

I came [Bm]waltzing in
Where the light had been
And the [Em]girls all looked away
[A]Let them stare while we [F#]make our geta[Bm]way

You came [Bm]waltzing in
Where the light had been
And the [Em]dark was all around
[A]Let me stay while they [F#]all fall to the [Bm]ground

[Bm]I was hiding [A]from the weather
[G]She was recent[F#]ly estranged
[Bm]When she put me [A]back together
[G]Didn t even [F#]know her name

[Bm]

You came [Bm]waltzing in
Where the life had been
And the [Em]death was all around
[A]Let them stare while they [F#]all fall to the [Bm]ground

I came [Bm]waltzing in
Where the light had been
And the [Em]girls all looked away
[A]Let me stay while they [F#]make their geta[Bm]way

[Bm]I was hiding [A]from the weather
[G]She was recent[F#]ly estranged
[Bm]When she put me [A]back together
[G]Didn t even [F#]know her name

(Break - **Bm Em A F# Bm**)

You came [Bm]waltzing in
Where your life had been
It was [Em]nowhere to be found
[A]Take me back to the [F#]place where we were [Bm]bound

You came [Bm]waltzing in
Where the love had been
And the [Em]boys all looked around

[A]Let me stay while you [F#]talk your baby [Bm]down

[Bm]I was hiding [A]from the weather

[G]She was recent[F#]ly estranged

[Bm]When she put me [A]back together

[G]Didn t even [F#]know her name
