

**Tell Me Its Not Over**  
**Starsailor**

I worked this out from a live version i saw.....  
so its got a good chance of being alright :)  
once again, im only 15, so if its a loada shizz,  
keep your hair on mate (Y)

**F#m7** - 022033  
**Cadd9** - 0320033  
**G** - 320033  
**A/G#** - 200033

i know the chord numbers might not be right,  
but the idea is that (if your familiar with playing wonderwall you ll be fine)  
you dont ever move you 3rd and 4th fingers.

Capo 3rd Fret

**F#m7**                      **Cadd9**                      **G**                      **A/G#**

Thought Iâ€™d lost you once again

**F#m7**                      **Cadd9**                                      **G**                                      **A/G#**

All that drinking bought some trouble to our name

(REPEAT THESE CHORDS FOREVER)

Late at night I feel no shame

All my old world stories

Take me back again
