

Telling Them Starsailor

I think these chords are right. They are at least good enough to sing the song to.

B **B**
We set off that day shaking all the way,

C#m B
would your Mother speak to us again.

B Put away your doubt that won't help us out,

```
C#m                                     B
```

just be sure to call before you ground.

C#m F# C#m E
The sun shone, the wind cried, so long, goodbye.

B

B **B**
Lay your body down for the here and now,

C#m **B**

just be sure to win before you re out.

B **B**
How you feeling now living with the crown,

C#m **B**
look at her and say you've been let down.

C#m F# C#m E

The sun shone, the wind cried, so long, goodnight.

(play this section twice)

B	F#m	A	B
By the book or by the gun there s fear inside of everyone.			

B **F#m** **A** **B**

Turn your head to face the sun and love will keep you safe.

(musical outro with awesome strings!)

D, F#m

It simply switches back and forth between C# and Fm. If you want to catch the ensemble walk-up progression that last time through, play these chords and follow the rhythm of the bass line:

Fm, Gm, G#, Bb, Cm, C#.....and the last chord of the song is Fm

Enjoy! It s a brilliant song!
