## Telling Them Starsailor

I think these chords are right. They are at least good enough to sing the song to.

3

We set off that day shaking all the way,

C#m B

would your Mother speak to us again.

3 I

Put away your doubt that won t help us out,

C#m B

just be sure to call before you ground.

C#m F# C#m E

The sun shone, the wind cried, so long, goodbye.

В

в в

Lay your body down for the here and now,

C#m B

just be sure to win before you re out.

B E

How you feeling now living with the crown,

C#m I

look at her and say you ve been let down.

C#m F# C#m E

The sun shone, the wind cried, so long, goodnight.

(play this section twice)

B F#m A B

By the book or by the gun there s fear inside of everyone.

## B F#m A B

Turn your head to face the sun and love will keep you safe.

(musical outro with awesome strings!)

## D, F#m

It simply switches back and forth between C# and Fm. If you want to catch the ensemble

walk-up progression that last time through, play these chords and follow the rhythm of

the bass line:

Fm, Gm, G#, Bb, Cm, C#.....and the last chord of the song is Fm

Enjoy! It s a brilliant song!
