

Telling Them
Starsailor

I think these chords are right. They are at least good enough to sing the song to.

A **A**
We set off that day shaking all the way,

Bm **A**
would your Mother speak to us again.

A Put away your doubt that won't help us out,

Bm **A**
just be sure to call before you ground.

Bm **E** **Bm** **D**
The sun shone, the wind cried, so long, goodbye.

A

A **A**
Lay your body down for the here and now,

Bm	A
just be sure to win before you re out.	

A **A**
How you feeling now living with the crown,

Bm look at her and say you ve been let down. **A**

Bm **E** **Bm** **D**
The sun shone, the wind cried, so long, goodnight.

(play this section twice)

A **Em** **G** **A**
By the book or by the gun there s fear inside of everyone.

A **Em** **G** **A**

Turn your head to face the sun and love will keep you safe.

(musical outro with awesome strings!)

C, Em

It simply switches back and forth between C# and Fm. If you want to catch the ensemble walk-up progression that last time through, play these chords and follow the rhythm of the bass line:

Fm, Gm, G#, Bb, Cm, C#.....and the last chord of the song is Fm

Enjoy! It s a brilliant song!
