

# Telling Them Starsailor

I think these chords are right. They are at least good enough to sing the song to.

**C** **C**  
We set off that day shaking all the way,

Dm C  
would your Mother speak to us again.

**C** **C**  
Put away your doubt that won't help us out,

**Dm** **C**  
just be sure to call before you ground.

**Dm**                                **G**                                **Dm**        **F**

The sun shone, the wind cried, so long, goodbye.

C

**C** **C**  
Lay your body down for the here and now,

just be sure to win before you re out.

**C** **C**  
How you feeling now living with the crown,

Dm C  
look at her and say you ve been let down.

<b>Dm</b>	<b>G</b>	<b>Dm</b>	<b>F</b>
The sun shone, the wind	cried, so long,	goodnight.	

(play this section twice)

C                      Gm                      Bb                      C

By the book or by the gun there s fear inside of everyone.

**C**                      **Gm**                      **Bb**                      **C**

Turn your head to face the sun and love will keep you safe.

(musical outro with awesome strings!)

**Eb, Gm**

It simply switches back and forth between C# and Fm. If you want to catch the ensemble walk-up progression that last time through, play these chords and follow the rhythm of the bass line:

Fm, Gm, G#, Bb, Cm, C#.....and the last chord of the song is Fm

Enjoy! It s a brilliant song!
