

You Never Get What You Desserive
Starsailor

capo 2nd fret;intro g,c

well they let you down.....fallin angel upon the ground
C G C G Em C Em C
and they filled you all up with drugs.....then one day you just gave it up
G C G
your a shining star.....hotel airports and minibar
C Em C Em C
and you lived your life by the book.....then one day you just gave it up
C G C
and you.....you never get what you desserve.....not you....
G G/F# Em C G G/F# Em
your on a life support machine..a damaged teenage queen..a danger to yourself
A,C,D

did she be around.....win your heart just by being round
C Em C Em C
do you think of the one you lost.....late at night while you count the cost
C G C
and you.....you never get what you desserve....not you
G G/F# Em C G G/F# Em C
your on a life support machine..a damaged teenage queen..a danger to yourself
G G/F# Em C G
life was dealt an awfull hand....you didnt end as planned
G/F# Em C G
it started off so well.....it started off so well

G,G/F#,Em,A,C,dx4 to fade
