Am
The more I fight, the more I work
G
The more I dig into the dirt
F
To be fed up, to be let down
E
To somehow turn it all around
Am
But then fate knocks me to my knees
G
And sets new heights beyond my reach
F
Below the earth, below concrete
E
The whole world shackled to my feet

Am F C G
Then it falls away into the great escape
Am F
Over walls and weights
C G
This antigravity taking over me

(Am G F E)

Am
And far below, the carnivores
G
Are looking up to where I soar
F
Above the clouds, above the storm
E
Above the earth I am transformed
Am
The energy has set me free
G
And pulled me through the galaxy

F
I ve risen up beyond the sky

E
I am awake, I am alive

Am F C G
As it falls away into the great escape

Am F
Over walls and weights

C G
This antigravity

Am F C G
Let it fly through the universe into the outer space

Am F
Over walls and weights

C G
This antigravity taking over me

F
I won t come down

Em
If you wanna break free

F
You know where to find me

Em
If you wanna break free

F
You know where, you know where

Em
If you wanna break free

F
You know where to find me

Em
If you wanna break free, you know where
