

Starlight
Starset

[Verse 1]

C

Stardust

Em

In you and in me

Fuse us

C

Into unity

Primeval

G

We re coupled

G/F#

Born from the universe

C

Farewell

Em

The void is calling

Don t fear

C

For futures and dreams

They re fleeting, retreating

G

G/F#

It s ok. I promise

[Chorus]

Em

I don t know what to say

Em

D

G

But I m going to want you till the stars evaporate

G

G/F#

Em

We re only here for just a moment in the light

Em

D

G

One day it shines for us the next we re in the night

G

G/F#

C

Em

So say the word and I ll be running back to find you

D

C

Em

A thousand armies won t stop me I ll break through

D

C

Em

I ll soar the endless skies for only one sight

B7

B7

Of your starlight

[Verse 2]

C

Tell me

C

Just tell me to stay

Em

I ll turn

Em

I won t look away

C

I ll stay here

C

G

G/F#

I ll never go but you don t feel the same

C

Farewell

C

Farewell and godspeed

Em

Light years

Em

Between you and me

C

I m fading

C

G

G/F#

Your beauty conquers the darkness

[Chorus]

Em

At night the earth will rise

Em

D

G

And I ll think of you each time I watch from distant skies

G

G/F#

Em

Whenever stars go down and galaxies ignite

Em

D

G

I ll think of you each time they wash me in their light

G

G/F#

And I ll fall in love with you again

C

Em

I will find you

D

C

Em

A thousand armies won t stop me I ll break through

D
