

Telescope
Starset

[Primeira Parte]

Am
You re out there, I hear you calling from behind
F Dm
The star fields
Am
I feel you radiating energy like
F Dm
Eternal northern lights

[Pré-efrão]

Am
Far from the sun
F
Where no one knows
D9
I ve watched you from
D7(4)
My telescope

[Refrão]

Am Em C G
I will tra - vel the distance in your eyes
Am Em C G
Interste - llar light years from you
Am Em C G
Superno - va: we ll fuse when we collide
Am C Dm G
Awaking in the light of all the stars aligned

(**Am**)

[Segunda Parte]

Am G
I see you washing over me across the sky
F Dm
Overcoming
Am
Projected on my eyes eternally
G F D9
I find you in the night

[Pré-Refrão]

Am
 Far from the sun
 F
 Where no one knows
 D9
 I ve watched you from
 D7(4)
 My telescope

[Refrão]

Am **Em** **C** **G**
 I will tra - vel the distance in your eyes
Am **Em** **C** **G**
 Interste - llar light years from you
Am **Em** **C** **G**
 Superno - va: we ll fuse when we collide
Am **C** **Dm** **G**
 Awaking in the light of all the stars aligned

[Terceira Parte]

F **G** **Am** **C6/9/E**
 I will find you
F **G** **Am** **C6/9/E**
 I will find you

(**F** **G** **Am** **C6/9/E**)
 (**F** **E**)

Am
 I will find you
Am
 I will find you
Am
 I will find you
Am

Am **Em** **C** **G**
 I will find you
Am **Em** **C** **G**
 I will find you

[Refrão]
