

Status Quo  
Starship

Okay so here is Status Quo from Starship. I did the best I could, sorry if it isn't perfect.

Capo 7

Verse 1

**Em** **C** **G**  
It starts with not questioning the answers  
**Em** **C** **G**  
And giving up before you've begun  
**Em** **C** **G**  
It locks all the doors, increases the pressure  
**Em** **C** **Em**  
And in a flash your time is up before it's done  
**C** **F**  
And you won't know how it can feel  
**Fm**  
To feel at all

Chorus

So I say  
**Am F C** **G F C**  
No-o-o to status quo-o-o  
**Am** **F**  
Who wants to be like the rest  
**C** **G**  
And deny the best that I'm meant for  
  
I will  
**Am F C** **G F C**  
Show-oh-oh the status quo-o-o  
**Am**  
Who wants to be normal  
**F**  
I'll never conform  
**C** **G** **Em C G**  
I will be content to resent the status quo

Verse 2

**Am** **F**  
I'll kick down the walls around me  
**C** **G**  
They don't know how strong I am  
**Am** **F**  
I'm not defined by boundaries

**C** **G** **F**  
They will never understand

Chorus

**Am F C**  
I m so much mo-o-ore  
**G F C**  
Than status quo-o-o

**Am F**  
Who cares about being another pipe dreamer  
**C G**  
Stuck on the bottom floor

**Am F C** **G F C**  
And I kno-o-ow it s time to go-o-o

So maybe I ve  
**Am F**  
Gotten everything that I wanted but  
**C G**  
I think that I might have made it so  
**F**

When I said no  
**F**

No  
**Fm**

No  
**Am C Em Am F6 C G Em F#**  
To status quoooooooooooo-o-o!

**G D**  
Cause I am a starship ranger  
**G D**  
I m gonna do everything I can  
**G Em**  
To always be a starship ranger  
**G C Em**

Cause it s everything  
**Fm Gm Fm Gm Fm Gm Fm Gm**

It s everything  
D (move D up one fret. do this 3 times)  
I **Am!**

End on D again.
