

**Alison**  
**Stash**

Alison                      Stash

Intro :

**A D A E Bm**  
**A D A E**

**Bm A**  
Just as long as  
          **D E**  
You sort it out  
          **Bm A D A E**  
Everything will be okay

**Bm A**  
Just as long as  
          **D E**  
You figure it out  
          **Bm A D A**  
Everything would be alright

Chorus :

**Bm F#m**  
Alison  
          **E Bm**  
You sweetness is beyond compared  
**C#m Bm F#m**  
How come your colder than before  
**Bm F#m**  
Alison  
          **E Bm**  
You drowning to blame it all  
**C#m Bm F#m**  
How come your colder than before  
**E Bm D A E**  
In my perception

Just how long will I  
Remember what to say  
But I don't understand  
The single word you speak  
And every night you keep on knocking on my door  
But I'm afraid to let you in

Repeat chorus
