

**Sadness**  
**Stash**

[Intro]

**Fm C C7 Eb Ebsus7 Bb Bb7**

**Fm**

You said times with me were lots of fun

**C C7**

But now funny just ainâ€™t what you want

**Eb Ebsus7 Bb Bb7**

Yeah my girl, ainâ€™t that just a little strange

**Fm**

There were times youâ€™d rather die then leave

**C C7**

Now you say; hold on a second here

**Eb Ebsus7 Bb Bb7**

yeah my love ainâ€™t it all just a little strange

**Ab Bb Bb7**

When you say; just hold on a second here

**Fm**

Better times are moving up ahead

**C C7**

And all sorrow is gone for good

**Eb Ebsus7 Bb Bb7**

Hey my girl, why donâ€™t you just let it flow

**Fm**

All this time I tried to figure out

**C C7**

Just what it takes to live on your cloud

**Eb Ebsus7 Bb Bb7**

yeah my love, I guess I misunderstood

**Ab Bb Bb7**

When you said; just hold on a second here

**Eb Bb Ab Bb**

If sadness is a color, then itâ€™s blue just like your eyes

**Eb Bb Ab C#m**

And sorrow can be all over you but it will never tear me down

**Fm**

Better times are moving up ahead

**C C7**

And all sorrow is gone for good

**Eb Ebsus7 Bb Bb7**

**Eb Bb Ab Bb**

If sadness is a color then itâ€™s blue just like your eyes

And sorrow can be all over you but it will never tear me down
