Should be correct first chord I ve posted go easy on me :)

[Intro]

E | A

[Verse]

E

Never thought I d end up here

A

Now our future seems so clear

E

A

I can see the top of the world down here

E

Drawing on the window pane

A

Wanna hear them say my name

E

A

All I have are whispers and dreams down here

[PreChorus]

C#

B

A

Nothing hurts more than saying I m fine

[Chorus]

E

B

Not a second to waste

C#

Life won t wait for you now

A

This is our time to go

E

B

Feel the crash of the waves

C#

Wash away all the thoughts

A

That come at you like monsters at night

C#

I don t wanna live this way

B

Strong enough to break these chains

A

Broken pieces can mend

E

B

Not a second to waste

C#

Life won't wait for you now

A

This is our time, our time to go

[Interlude]

E | A

[Verse]

E

When I've got it figured out

A

All alone I get knocked down

E

A

Looking at the stars from the floor down here

E

Can't be held down in this place

A

You can see it in my face

E

A

Wishing I could open the door down here

[PreChorus]

C#

B

A

Nothing hurts more than saying I'm fine

[Chorus]

E

B

Not a second to waste

C#

Life won't wait for you now

A

This is our time to go

E

B

Feel the crash of the waves

C#

Wash away all the thoughts

A

That come at you like monsters at night

C#

I don t wanna live this way

B

Strong enough to break these chains

A

Broken pieces can mend

E

B

Not a second to waste

C#

Life won t wait for you now

A

This is our time, our time to go

B

A

B

A

Ooh, ooh, ooh œ" oh

[Bridge]

B

A

I m walking down this road

B

A

Nobody s hand to hold

B

A

Way past the point of no return

B

A

You strike a match, get burned

[Chorus]
