

**Secret**  
**State Champs**

Intro: **A A E A E**

**E**  
You caught me in the right place at the right time

So I ll just dive right in

**E**  
Say you ve got a blank space in your right mind  
**Bm**

Well here s my second wind

**A** **Bm**  
Oh, your idea of me blown away, away

**E**  
Something in the past tense didn t make sense for this to follow through

**E**  
What did you expect to happen? Were you mad then  
**Bm A**

With nothing left to do?

**A**  
Oh, you re making me sick. What is this?

**F#m A**  
Had we been drawn to close before?

**F#m A**  
Because I dropped my forgiveness, it s lying face down (on the floor)

**E Bm A**  
I ve got more secrets than you ll ever know

**Bm E**  
Another year and you won t let it go

**Bm C#m**  
Too many times I told myself to hold on

**A E/G#**  
But it s too late for me, now I m as good as gone

**E**  
Funny how we go way back and we said that

We wouldn t let this come between

**E**  
Everything and is it true that I could look past  
**Bm**

Memories and stay obscene?

**A Bm**  
Oh, your idea of me blown away, away

**E**  
Something s telling me I never could have ruined everything you want in life

**E**

Because you never put in effort, and the truth is you were never doing it right

**A**

Oh, you're making me sick. What is this?

**F#m**

**A**

Am I the one you can't ignore?

**F#m**

**A**

Because I dropped my forgiveness, it's lying face down (on the floor)

**E**

**Bm A**

I've got more secrets than you'll ever know

**Bm E**

Another year and you won't let it go

**Bm C#m**

Too many times I told myself to hold on

**A**

**E/G#**

But it's too late for me, now I'm as good as gone

( **A E** )

**A**

It turns out I don't go down that easily

You'll never really know what this means to me

**E**

And no, it wasn't ever too much to hold

But you stole your own self control

**A**

It turns out I don't go down that easily

You'll never really know what this means to me

**E**

And no, it wasn't ever too much to hold so just know

**A**

It turns out I don't go down that easily

You'll never really know what this means to me

**E**

And no, it wasn't ever too much to hold

But you stole your own self control

**A**

It turns out I don't go down that easily

You'll never really know what this means to me

**E**

**Asus2**

And no, it wasn't ever too much to hold so just know

Refrão:

**E**

**Bm A**

I ve got more secrets than you ll ever know

**Bm E**

Another year and you won t let it go

**Bm C#m**

Too many times I told myself to hold on

**A**

**E/G#**

But it s too late for me, now I m as good as gone

**E**

**Bm A**

Not everybody wants an enemy

**Bm E**

Call me the culprit and that s all you ll see

**Bm C#m**

You were responsible for finding a way to catch on

**A**

**E/G# E**

But it s too late for me, now I m as good as gone
