C|2      4      5      4
| Guitar2 (same time as guitar1)
D|
A|
E|8      /10      /11      /10
C|X (8X)  /X (8X) /X (8X)  /X (8X)
G|6      /8      /9      /8
C|
```

That s basically the every riff in the song. I ll leave it to you to figure how

many times to do each riff  
in what order. And dont worry if you dont have a 2nd guitarist, it still will  
sound cool if you only play  
parts of guitar 1
