С I want to have you here with me To cuddle up so near to me And do the things you like me to do to you You like it when I tickle you We start to kiss, it pleases you It feels so good, I just don t know what to do To take you when your feelin good To love you like I know I should It makes me feel all of ten feet tall So I just try to give to you All that I can to satisfy you I don t like to leave you girl Almost but not quite there So I just try to give to you All that I can to satisfy you I don t like to leave you girl
