F Bb F Bb F
Now I got something to sing about, everyone s singing my song
F Bb F Bb F
Gotta have something to sing about, everyone must have a song
F Bb F Bb F
Now I got something to sing about, everyone s singing my song

F F F F

Dreaming away, never wishing to be anyone
Never a question or reason to find right or wrong
When I looked at the end, over and over again
Riding along on the words of a song
Thinking my time had all gone

And it s better now, been a long, long time
And it s better now that the words can rhyme

Gotta have something to sing about, everyone must have a song
Now I got something to sing about, everyone s singing my song
Gotta have something to sing about, everyone must have a song
Now I got something to sing about, everyone s singing my song
