

## Are You Growing Tired Of My Love Status Quo

People who think that Status Quo only played three chords should take a look at this baby. A masterpiece of vintage Quo.

Piano Intro.....

**A** **E** **D** **A**

Verse 1

**A**

You never seem,

**Bm** **G** **E** **A**  
Seem to have the time, to listen to what I say.

**A** **D** **Bm**  
How can I know just what goes on in your mind?

**C** **D.....D7**  
If you always walk away.

Verse 2

**G**

So what s the good?

**Am**  
What s the good in trying?

**F** **D** **G**  
And hanging around you begging for your love.

**C** **Am**  
When it seems there s someone else in your dreams

**F** **E.....E7**  
And I can t be sure of you anymore.

Chorus

**A** **E**  
Are you growing tired of my love?

**G** **D**  
Have you had too much of my love?

**A** **C#m** **F#m** **B**  
Are you growing tired of my love?

**G** **D** **A.....A**  
Where is the love you once gave me?

Verse 3

**A**

And when we meet,

**Bm**  
Things are not the same now,

**G** **E** **A**

You always hurry away.

**D**                                  **Bm**  
And all the plans that once you used to share with me,  
          **C**                                  **D.....D7**  
Are ignored now and you re bored now.

Verse 4

**G**  
I guess we re through,  
**Am**                                  **F**                  **D**                  **G**  
Still I go on hoping because you never put it into words.  
          **C**                                  **Am**  
And you see, you should be honest with me,  
          **F**                                  **E.....E7**  
Wll I ve got to find what is in your mind.

Chorus then

Chorus to fade.....
