

Are You Growing Tired Of My Love Status Quo

People who think that Status Quo only played three chords should take a look at this baby. A masterpiece of vintage Quo.

Piano Intro.....

A **E** **D** **A**

Verse 1

A

You never seem,

Bm **G** **E** **A**
Seem to have the time, to listen to what I say.

A **D** **Bm**
How can I know just what goes on in your mind?

C **D.....D7**
If you always walk away.

Verse 2

G

So what s the good?

Am
What s the good in trying?

F **D** **G**
And hanging around you begging for your love.

C **Am**
When it seems there s someone else in your dreams

F **E.....E7**
And I can t be sure of you anymore.

Chorus

A **E**
Are you growing tired of my love?

G **D**
Have you had too much of my love?

A **C#m** **F#m** **B**
Are you growing tired of my love?

G **D** **A.....A**
Where is the love you once gave me?

Verse 3

A

And when we meet,

Bm
Things are not the same now,

G **E** **A**

You always hurry away.

D **Bm**
And all the plans that once you used to share with me,
 C **D.....D7**
Are ignored now and you re bored now.

Verse 4

G
I guess we re through,
Am **F** **D** **G**
Still I go on hoping because you never put it into words.
 C **Am**
And you see, you should be honest with me,
 F **E.....E7**
Wll I ve got to find what is in your mind.

Chorus then

Chorus to fade.....
