Bm

When I was an older boy

When I was an older lady s toy

Thoughts of lust and wealth were now my joy

And the years gone by are so far behind

But the memories are still in my mind

When I was a lady s boy

When I was a lady s boy

When I was a lady s boy

When I was a little baby boy
Just to sit and play would be my joy
Now I m oh so big and I m oh so strong
How I wish to be where I once belonged
When I was a baby boy
When I was a baby boy
When I was a baby boy
