F **C**
I gotta get myself far, far away
F
I gotta tell myself that anyway
C
I can t forget the way that you used to be
F
Now all in all it seems so different to me
Bb C Dm
I said oh-oh Rosalee
Bb C Dm C7
Oh my Rosalee

F
Oh every time I see you I have to stop
C
And everybody says you are the cream of the crop
But if you re looking angry in any way
F
I don t believe I could stand in your way
My one and only carriage, it rolls along
C
My funny love affair has found a way to go on
I won t change for you, you haven t changed for me
F
I don t suppose you have an answer for me

I ve been around this place for quite a time
I ve been around just feeling really fine
I can t believe I feel like nothing today
Well I don t feel too much anyway
I said oh-oh Rosalee
Oh my Rosalee

Oh every time I see you I have to stop
And everybody says you are the cream of the crop
But if you re looking angry in any way
I don t believe I could stand in your way
My one and only carriage, it rolls along
My funny love affair has found a way to go on
I won t change for you, you haven t changed for me
I don t suppose you have an answer for me
