```
   F                      C
I gotta get myself far, far away
                       F
I gotta tell myself that anyway
                           C
I can t forget the way that you used to be
                          F
Now all in all it seems so different to me
      Bb C       Dm
I said oh-oh Rosalee
Bb C        Dm C7
Oh my Rosalee
```

```
          F
Oh every time I see you I have to stop
                                 C
And everybody says you are the cream of the crop

But if you re looking angry in any way
                      F
I don t believe I could stand in your way

My one and only carriage, it rolls along
                           C
My funny love affair has found a way to go on

I won t change for you, you haven t changed for me
                      F
I don t suppose you have an answer for me
```

I ve been around this place for quite a time
I ve been around just feeling really fine
I can t believe I feel like nothing today
Well I don t feel too much anyway
I said oh-oh Rosalee
Oh my Rosalee

Oh every time I see you I have to stop
And everybody says you are the cream of the crop
But if you re looking angry in any way
I don t believe I could stand in your way
My one and only carriage, it rolls along
My funny love affair has found a way to go on
I won t change for you, you haven t changed for me
I don t suppose you have an answer for me
