You don t like rock and roll no more

Eb {Intro riff}

I ve had enough, I can t anymore

Enough is enough, I can t stand no more

Enough is enough

I don t care what you say to me

I never get the message through when I call

What you do is a shame to see

Making plans of your own for me

You don t know where, you don t know when

You don t know where, or where or when

Oh I don t care what you say to me

I m gonna kick you outta my door

Enough is enough, and I have had it

I ve had enough, I can t anymore

Enough is enough, I can t stand no more

Enough is enough, I can t anymore

Enough is enough

{Solo}

Oh I don't care what you say to me
You're gonna be back banging round at my door
What you say is all the same to me
Making plans of your own for me
You don't know where, you don't know when
You don't know where, or where or when
I've had enough, I can't anymore
Enough is enough, I can't stand no more
Enough is enough, I can't anymore
Enough is enough, I can't stand no more
Enough is enough, I can't anymore
Enough is enough
