**Status Quo**

Everything  
Status Quo

I don t like the song but it s good to play.  
The chords are fingerpicked so  
some notes aren t heard.  
So BE CAREFULL not to hit wrong notes.  
Does anyone know who plays violin on this?  
Bob Young perhaps?

I see the dawn is breaking  
Bbm Ebm  
and life seems very good to me

I see your face is smiling

Your bed looks warm inviting

**C# C B C**

I feel your hand walk over me

**C#**

I climb in bed beside you

**Fm**

the past is not behind you

**Bbm**

**Ebm**

You feel a little pain inside

and now our heads are whirring

it s done there s no returning

**C# C B C**

You feel the little pain, it dies

**C#**

My eyes can see

**C#aug**

my hands can feel

**C#6**

my ears can hear

**F#**

**F#m**

They can see everything

A bird that files

**C#aug**

a bird that dies

I can see everything

It s 100% right.
