I m tired out, and my head is aching
I wanna shout, but I feel I m going nowhere
Yeah, I feel I m going nowhere

I run about in a fit of madness
To work it out in the hope of going somewhere
Yeah, I hope I m going somewhere

And I know it must be time
for making up my mind
Doesn t matter if I find
It ll change my tune in time
If I m really going nowhere

I m better now, that I ve thought about it
Can t figure out, but I m looking for it somewhere
All I know is that it s somewhere

It s closer now than I ve ever had it
Much closer now, so I must be getting somewhere
Yeah, I hope I m getting somewhere

But you never know in time, with the changing of my mind
I could turn around and say, that was just another day
And I m really going nowhere
