

Green
Status Quo

Intro: **D**

D

so then the sky turned weird

and the sun went down

D/G D/F# D

but it weren t two hours fore it came ar - ound

it was a midnight feast

such a sheer delight

D/G D/F# D

i saw the northern lights then i hit the ground

G C

green, green, keep it clean

D

stick all your money up your money machine

G C

green green perfect scene

A

oh it s very very nice here

but i wouldn t wanna live here

you got your blazing red
you got your frozen breath
watch the countryside just bleed to death
and then the ground turns white
and the sky turns brown
and the whole damn world looks upside down

brown brown dead end town
just like a-living in a hole in the ground
brown brown upside down
well it isn t very nice here
and i wouldn t wanna live here

green, green, keep it clean

stick all your money up your money machine
green green perfect scene
oh it s very very nice here
but i wouldn t wanna live here
