

Green
Status Quo

Intro: **Eb**

Eb

so then the sky turned weird

and the sun went down

Eb/G Eb/F# Eb

but it weren t two hours fore it came ar - ound

it was a midnight feast

such a sheer delight

Eb/G Eb/F# Eb

i saw the northern lights then i hit the ground

G# C#

green, green, keep it clean

Eb

stick all your money up your money machine

G# C#

green green perfect scene

Bb

oh it s very very nice here

but i wouldn t wanna live here

you got your blazing red

you got your frozen breath

watch the countryside just bleed to death

and then the ground turns white

and the sky turns brown

and the whole damn world looks upside down

brown brown dead end town

just like a-living in a hole in the ground

brown brown upside down

well it isn t very nice here

and i wouldn t wanna live here

green, green, keep it clean

stick all your money up your money machine
