Simple, country flavoured song from The Quo. From the album In The Army Now.

D **A** **D** **D7**
I got an invitation from a girl I used to know back home
G **Bm** **E** **A**
It was an invitation asking me to telephone
D **D7**
She said, it s getting lonely here
G **Gm**
And I ve been gone for close a year
D **A** **D**
I took the first flight out to meet the girl I used to know back home

Bm, A D
Bm

A **D** **A** **D** **D7**
She met me off the flight, a million dollars in her long red gown
G **Bm** **E** **A**
With a man in a black hat just to drive us back to town
D **D7**
Now the faces all look the same
G **Gm**
And all the places have the same old names
D **A** **G**
But in a year you ve changed just like the girl I used to know back home
D **A** **D**
Yes, in a year you ve changed just like the girl I used to know back home

G **A** **D**
Maybe it s true that I go on and on and on
G **A** **Bm**
Maybe it s true that I m the lonely one alone
G **A**
What can I say to you, what can I say to you?
D **A** **D**
Yes, in a year you ve changed just like the girl I used to know back home

Bm, A D
Bm, A D
Bm, A D
Bm, A G A

It took another year before I started getting itchy toes
And then I had to leave, but that s the way the story goes
Well I reckon if she d made me stay
I d never live to see another day
I took the first flight out and left the girl I used to know back home

Maybe it s true that I go on and on and on
Maybe it s true that I m the lonely one alone
What can I say to you, what can I say to you?
I took the first flight out and left the girl I used to know back home

D **Bm** **A** **D**
Back home, I left the girl back home

Bm **A** **D**
I left the girl back home

Bm **A** **D**
I left the girl back home

Bm **A** **D**
I left the girl back home

Bm **A** **D**
I left the girl back home
