Stand up, stand up and raise a glass of wine  
**C** **D**  
and you let yourself go, underneath the mistletoe  
**G** **G/F#**  
It s Christmas time, it s Christmas time

and your presents will be, underneath the Christmas tree, with me

Do you wanna hear the sleighbells in the sun  
it s not much fun  
Try and build yourself a snowman  
by the sea well it ain t gonna be

I ll be roasting chestnuts by the fire,  
write a note with all my heart s desire  
and let it burn all the way to Santa

It s Christmas time, it s Christmas time  
stand up stand up and raise a glass of wine  
and you let yourself go underneath the mistletoe  
It s Christmas time, it s Christmas time  
wake up wake up and find the snow outside  
and your presents will be underneath the Christmas tree with me
